

Sunday Sermon Questions

Here are some questions to consider after hearing Justin's sermon this past Sunday. (1 Thessalonians 1-10)

BIG IDEA: Belief demands a response and to share the good news.

1. How do your neighbors view you? Who do they know you to be?
2. What does the fruit in your life show others you believe in? What is the "root" of your belief?
3. If your root is Christ, how is that showing? What are some outward responses of your belief in Christ over the past month and how was it shown?
4. If your response is not Christ-centered, discuss what could be the root of your belief.
